MEMBRANE-DRIVEN BIOSEPARATION STRATEGIES FOR EMERGING BIOPROCESSING CHALLENGES

ON THE OCCASION OF

IMS Foundation Day

APRIL 24, 2025

START AT 06:00PM (IST)
07:30 AM (UTC)

Speaker

Prof. Ranil Wickramasinghe

DEPARTMENT OF CHEMICAL
ENGINEERING
UNIVERSITY OF ARKANSAS, USA

Indian Membrane Society (IMS) is a registered society of scientists, academicians, technologists, consultants and engineers from India and abroad engaged in the field of membranes. It was formed by membranologists in 1986 with a view to providing a forum for stimulating research and disseminating information on science, technology and application of membranes and membrane separation processes.

Organized by

Prof. Swatantra P. Singh

SECRETARY
INDIAN MEMBRANE SOCIETY (IMS)
